On behalf of the Organizing Committee, it's my great pleasure to welcome all participants of the 20th anniversary of World Karate Championship for seniors.

Serbia and Belgrade again host a major sporting event such as this Championship. Reassemble the whole world in one place; it is a great honor and responsibility for our country.

Accepting the organization of this tournament we wanted to show everyone how karate is positive, mass and popular sport.

We hope that all participants and guests will see and feel the energy, knowledge and hospitality of our people and therefore will constantly return to compete. This event is more than the competition itself. It will be a combination of friendship, art and karate.

I am convinced that Serbia and Belgrade, as many times before, are ready to justify the trust.
